

THESE FORMS ARE PROVIDED TO YOU AS MASTERS.

For electronic submission:

1. Save these forms files on your hard drive
2. Open the form, copy it, and enter your answers into the copy. Be sure to save both the master and your copy.
3. After the form is complete, use the “Save As” function and re-name the document, and save it to a folder that will have all your reports. This will protect your original blank form.

For manual (US mail) submission:

You may submit copies of the forms provided by mail. Remember to make copies of the master form for the number of copies that you will need BEFORE you will it in. If you have no copier or scanner, you can get them made at Office Max, Staples, or Kinkos.
